The Dean's Message

As the semester comes to a close, and our minds shift towards the holidays, it's good to look back and reflect on what we've achieved as a community this semester. Our DECA Chapter has a lot to be proud of, as they've been hard at work representing Humber at invitationals across the province. And news of our graduate's success is a daily reminder of the importance of the learning experience we offer students. As 2017 comes to a close, we can't wait to see what 2018 will look like for the Humber Community. Enjoy the holidays and we'll see everyone again in January.

Be sure to share your successes in the Dean's Newsletter. For submissions, visit business.humber.ca/content-submission and choose "The Dean's Newsletter".
