The Dean's Message

September has come and gone, and the new school year is well underway at The Business School. As we progress through this new year, a common trait keeps recurring in our students and our faculty - leadership. Whether it is abroad or at home, our faculty and students are using their knowledge and skills to help others succeed in their ambitions and goals.

Be sure to share your successes in the Dean's Newsletter. For submissions, visit business.humber.ca/content-submission and choose "The Dean's Newsletter".
