The Dean's Message

There were no “February Blahs” at The Business School, the month was jam-packed with career and networking events and workshops. We thank all of the students who took time out of their busy schedules to participate in the “Faces of Business” campaign, culminating in a new commercial set to air in March.

Be sure to share your successes in the Dean’s Newsletter. For submissions, visit business.humber.ca/content-submission and choose “The Dean's Newsletter”.

International Development Delegates Brought Together for Global Citizenship Forum

The International Development Program at Humber’s Business School hosted the Annual Global Citizenship Forum of the Ontario Council for International Cooperation in G Building February 2nd - 3rd, 2017. This event brought together academics and practitioners from the International Development industry from across Canada and around the world.
