## The Dean's Message

There's never a dull moment at The Business School. Despite the semester ending in early May, our students and faculty were still hard at work competing in conferences, attending events and hosting workshops and meetings. Also, a big thank you to our returning alumni for taking the time to share their experiences and insights with our students.

Be sure to share your successes in the Dean's Newsletter. For submissions, visit [business.humber.ca/content-submission](https://business.humber.ca/content-submission) and choose "The Dean's Newsletter".
