

The Dean's News

Covering
May 2020

*Alvina Cassiani, Senior Dean
Faculty of Business*

The Dean's Message

In like a lion, out like a lion. Despite the semester ending in May, our students and faculty were still hard at work preparing for, and participating in global competitions, webinars, and virtual meetings.

Our students ended the semester on a high note with some winning prestigious awards such as the Social Innovation Award, Baxter Student Ambassador Award, and Academic All-Canadian Award. We are proud of their resilience, adaptability and achievements throughout the year.

As you prepare for the summer, take time to focus on the positives - learn new skills, make plans for the future, expand your network and enjoy the warmer weather. Congratulations on pulling through a strong academic year during these unprecedented times.

Read on to find out how our community is preparing for industry success, taking their educational careers to the next level, and helping those in need.

To share all of your successes with us, visit business.humber.ca/content-submission and choose "The Dean's Newsletter".
