

**WE ARE
BUSINESS AT
ITS BEST**

BUSINESS

The Dean's Message

The Business School had a great deal to celebrate over the past two months in regards to the accomplishments of many of our current students and alumni. Students dove into the giving spirit of the season by raising funds and donations for local Toronto charities. It was also a time for focusing on career development, seeing many students participate in information sessions and workshops. A special shout out goes to all current Insurance Management Program students, as they have all secured employment before the end of the first semester! Be sure to check out next month's newsletter as we cover our student award ceremonies.

Be sure to share your successes in the Dean's Newsletter. For submissions, visit business.humber.ca/content-submission and choose "The Dean's Newsletter".
