The Dean's Message

February may be the shortest month of the year, but here at The Business School, it was packed with busy schedules, hard work, and exciting opportunities. In fact, February got off to a thrilling start with a Board of Trade Dinner, where our attending faculty and students were pleasantly surprised when Prime Minister Justin Trudeau arrived and engaged in an armchair discussion with Jan De Silva.

I would also like to congratulate our Paralegal Mooting Team on their success at this year's Osgoode Cup, as well as the Professional Golf Management Program and its new partnership with the PGA of Canada Program. As always, we are proud of our graduates, in particular, Paralegal Studies alumni saw two graduates granted admission into Masters of Law programs and another graduate hired by a well-respected Ontario law firm.

Be sure to share your successes in the Dean's Newsletter. For submissions, visit business.humber.ca/content-submission and choose "The Dean's Newsletter".

Advancing The Global Region: 131 Annual Board of Trade Dinner

On Thursday, February 7th, Humber Business students and faculty along with Humber Research and our partner SEW- EURODRIVE Canada connected for the 131 Board of Trade Dinner. The guests were pleasantly surprised by an armchair discussion with Prime Minister Justin Trudeau and President and CEO of the Toronto Region Board of Trade, Jan De Silva.
